*Saturday

Saugus Atstumas: Residency Retreat -
Gathering space
- 17:00 - 18:00

*Saturday

Luna6 - reimagining queer leftist
space in Vilnius

SAPFO RADIO

Sapfo Radio broadcasts annually from Sapfo Island – a place where the grass brushes against your legs, where we live out a weekend utopia. It's the festival's radio, born from a desire to share – so that sounds, thoughts, discussions, and music reach even those who are farther away. We strive to be accessible in every sense
