EDUCATION

New York University, Arthur L. Carter Journalism Institute   Sept 2025–May 2027 (Expected)
M.A., Business & Economic Reporting
Marjorie Deane Fellow; MBA-level classes at NYU Stern; Investigative reporting using PACER, SEC filings, and LexisNexis.

University of Cambridge, U.K.   2020–2023
B.A. (Hons), Law
Selected first-class papers: EU Law, Personal Information Law, and Labour Law.

REPORTING EXPERIENCE

Incoming Editorial Intern, Inc. Magazine   Jun–Aug 2026 (Expected)

Business Editorial Intern, Observer   Jan 2026–Present
- Report on business, media, and technology, covering corporate strategy, earnings, AI, and executive power.
- Build stories from filings, court records, earnings, and interviews, turning complex developments into clear copy on deadline.
- Publish and package stories in WordPress, writing SEO headlines, metadata, and image selections for digital distribution.
- Contribute reported features, interviews, and daily desk coverage on companies including Netflix, Paramount, Oracle, and Acorns.

Interview Researcher & Producer, The Cambridge Union   Mar 2021–Jan 2023
- Produced interview briefs and questions for high-profile guests including Nancy Pelosi, Theresa May, and Jordan Peterson, using public records, speeches, prior interviews, and news coverage.
- Tracked U.K. and U.S. political developments in real time, revising interview plans as news moved, hours before events.
- Produced short-form video for TikTok and Instagram Reels, selecting newsworthy moments for an audience of 70,000+.

Editorial Writer, Per Incuriam (Cambridge Law Society Journal)   Sept 2021–Mar 2022
- Pitched and wrote legal and policy analysis on surveillance, citizenship, and national security, translating judgments, statutes, and government reports into clear, timely stories.
- Reported from primary documents first, grounding stories in case law and committee reports before layering in expert reaction.
- Distilled complex legal developments into precise, accessible copy with tight editorial framing and rigorous sourcing.

Investigative Research Analyst, Amicus – The Missouri Project (Cambridge Law Faculty)   Mar 2021–Jan 2022
- Analyzed 400+ homicide case files, court transcripts, and forensic reports for a data-driven investigation into racial and socioeconomic disparities in Missouri capital sentencing.
- Structured case-file data in Excel and Google Sheets to identify sentencing patterns by county, race, and offense type.
- Helped build an interactive database and synthesize findings used by attorneys in constitutional challenges.

LEGAL & RECORDS EXPERIENCE

In-House Commercial Paralegal, GuardWatch Security UK Ltd   Aug 2023–Aug 2025
- Synthesized regulations, policies, and economic materials into concise briefings on privacy, surveillance, contracts, labor risk, and drone use.

Litigation Paralegal, De Rossi Griffiths   Jun 2021–Jul 2022
- Built chronologies and distilled large case files into clear factual records for active litigation and commercial matters.

Legal Intern, Lee & Thompson LLP / Simkins LLP   Jul 2025
- Analyzed contracts and rights agreements to identify key terms, liabilities and ownership issues across media, corporate, and intellectual property matters.
