Registration & Payments

Fees are charged monthly in advance and are payable on the 1st of each month. Fees can be paid via direct debit, Tax-Free Childcare, or childcare vouchers (where applicable).

Government-Funded Childcare

We offer the following government-funded childcare, subject to eligibility and local authority confirmation:

15 hours funded childcare

For eligible working parents of children aged 9 months–4 years

For eligible 2-year-olds

Universal entitlement for 3–4-year-olds

30 hours funded childcare

For eligible working parents of children 9 months–4 years from the term after the child meets the age criteria.

Funded hours are applied to part of a child's attendance. Any hours outside the funded entitlement are charged at the nursery's standard private rates.

Government funding is claimed directly from the local authority and is subject to eligibility, valid codes, headcount deadlines, and signed parent declarations.
