ABOUT COMPANY

Al Khatout Technical Services, based in Dubai, UAE, is a premier provider of construction and maintenance solutions. With a dynamic leadership team led by industry veteran M Shahid, boasting 15 years of experience spanning Pakistan, Saudi Arabia, and the UAE, we bring a wealth of expertise to every project. Our commitment to excellence is evident in our diverse portfolio, ranging from family villas to prestigious entities like the British Embassy and Radiance Business Centre.

At Al Khatout, our core philosophy revolves around crafting excellence in every endeavor. We specialize in a comprehensive array of services, including flooring, woodwork, carpentry, sanitary installation, glass, and aluminum maintenance, among others. Our seasoned team of engineers, supervisors, carpenters, and technicians collaborate seamlessly to deliver projects that not only meet but exceed expectations. With a focus on precision, innovation, and client satisfaction, we take pride in setting new standards in the construction and maintenance industry.

Since our establishment in 2013, Al Khatout Technical Services has garnered a reputation for delighting clients. From the conceptualization phase to project completion, our client-centric approach ensures transparency, reliability, and top-notch craftsmanship. Whether it's residential spaces like family villas or commercial entities like the Modern Design Company, we are dedicated to delivering solutions that stand the test of time. Join us on a journey where lines meet excellence, and projects come to life with Al Khatout.

VISION & MISSION

Vision

At Al Khatout Technical Services, our vision is to stand as the foremost innovators in construction solutions and unparalleled maintenance services. We aspire to be the industry's benchmark for quality, setting a new standard for excellence not just in Dubai but globally. By consistently pushing the boundaries of creativity, technology, and unwavering commitment, we envision a future where Al Khatout becomes synonymous with groundbreaking achievements in the construction and maintenance sector.

Mission

Our mission is to deliver superior construction and maintenance solutions that transcend conventional standards. We aim to blend expertise, cutting-edge technology, and unwavering commitment to create spaces that not only meet but exceed our clients' expectations. Through precision, reliability, and a relentless pursuit of excellence, we strive to ensure the longevity and functionality of every project we undertake. At Al Khatout, our mission is to forge lasting relationships, inspire confidence, and redefine the landscape of construction and maintenance with a commitment to quality that stands the test of time.

BUSINESS ACHIEVEMENTS

Since 2013, Al Khatout Technical Services has proven itself through successful projects in family villas and prestigious collaborations with clients like the British Embassy and Radiance Business Centre, solidifying our reputation for excellence.

Our legacy of excellence is etched in the diverse array of projects we've undertaken over the years. From the meticulous craftsmanship

in family villas, where attention to detail is paramount, to the strategic solutions implemented at the British Embassy, each project contributes to our growing portfolio of success. Our commitment to quality has not only garnered us a reputation as a trusted construction partner but has also positioned us as pioneers in the industry. We take pride in the successful completion of the Radiance Business Centre, a testament to our ability to tackle complex projects with precision and efficiency. These achievements fuel our drive to continually raise the bar and reaffirm our status as leaders in the construction and maintenance domain.

The heartbeat of our success lies in the satisfaction of our clients. We take pride in consistently exceeding their expectations, evidenced by

the long-lasting relationships we've built since 2013. Our dedication to client-centric practices has not only resulted in successful project deliveries but also garnered industry recognition. The Modern Design Company and AHB Innovations Digital Media are shining examples of our ability to adapt to diverse needs and deliver tailored solutions. These collaborations have not only enriched our experience but have also propelled us to the forefront of the construction and maintenance industry. As we reflect on our business achievements, we remain committed to pushing boundaries, embracing challenges, and continuing our journey of excellence in construction and maintenance services.

HOW WE WORK

Embark on a seamless journey with Al Khatout Technical Services as we turn your visions into reality. Our streamlined process ensures a hassle-free experience, from your initial inquiry to the successful completion and delivery of your project.

1

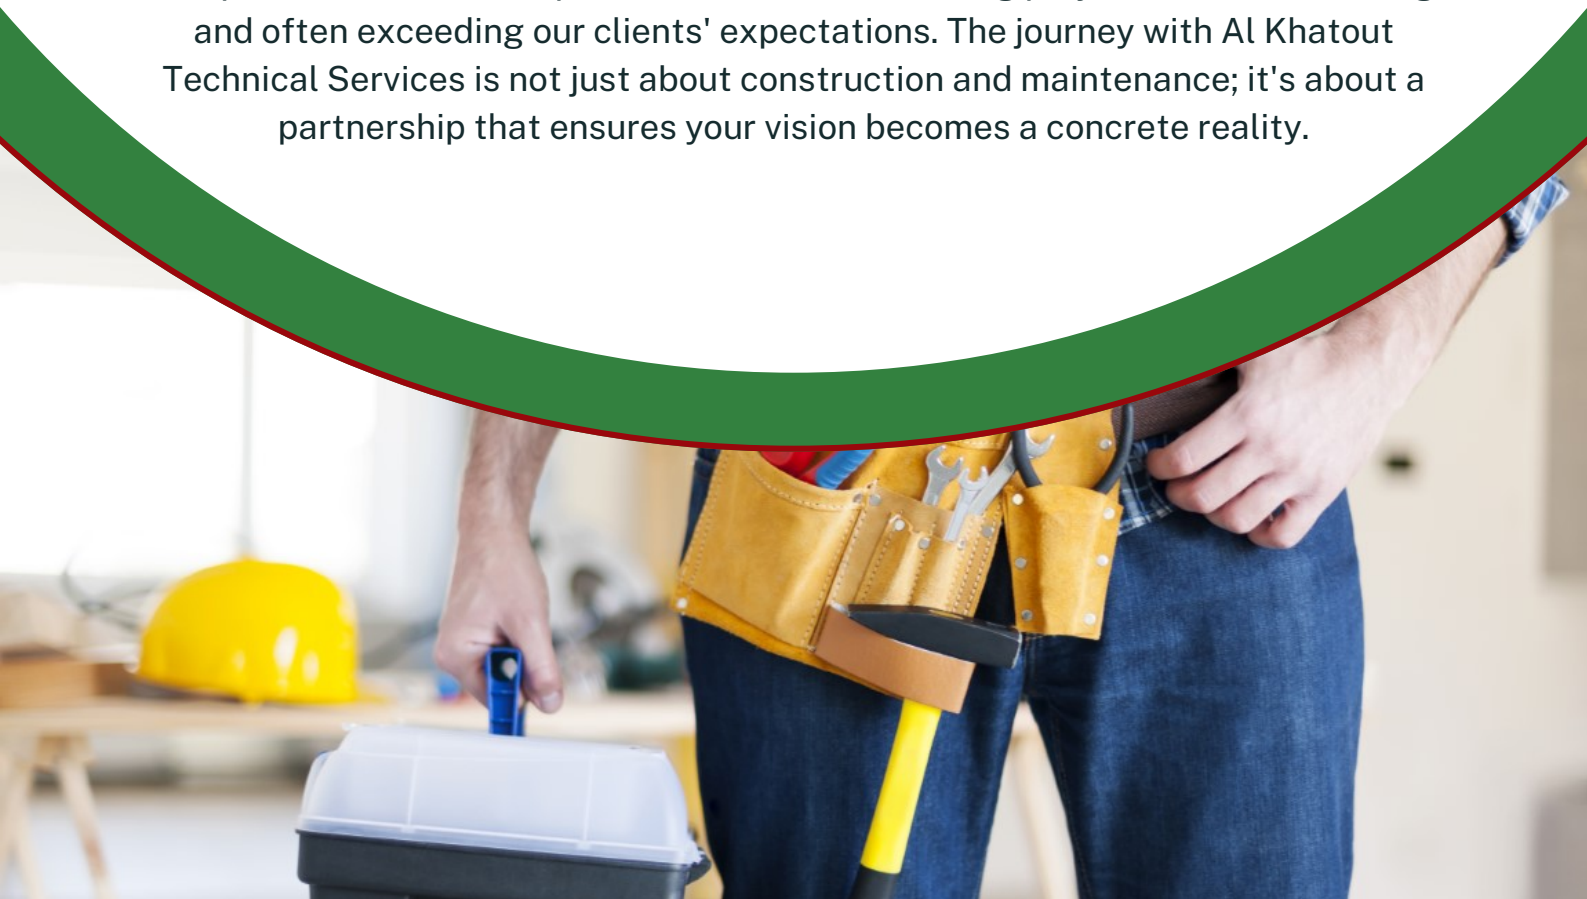

Upon receiving your query, we invite you to share all relevant details – from drawings and maps to sizes and specific requirements. This comprehensive input allows us to gain a thorough understanding of your project's scope and intricacies.

2

Next, our dedicated team conducts a meticulous survey, leveraging their expertise to provide you with a detailed and transparent quotation. We believe in clarity from the outset, ensuring that our clients have a comprehensive understanding of the proposed project cost and timeline.

3

Once you approve the quotation and issue the Purchase Order (PO), our seasoned professionals swing into action. From project commencement to conclusion, we adhere to the highest standards of craftsmanship, efficiency, and professionalism. We pride ourselves on delivering projects on time, meeting and often exceeding our clients' expectations. The journey with Al Khatout Technical Services is not just about construction and maintenance; it's about a partnership that ensures your vision becomes a concrete reality.
