

REBELÒT THEATRE

Educational, Interactive Performances

REBELÒT *for Elementary Schools*

A central illustration features a woman with brown hair and blue eyes, smiling, surrounded by five puppets. The puppets have various expressions and are wearing different hats and headbands. One has a red and white striped headband, another has a yellow hat, and others have more abstract, mask-like faces. They are all looking towards the viewer.

THEATRE

Rebelòt Theatre is a professional children's theatre company

specializing in highly educational and interactive performances for ages 3-10.

Our trained stage actors tailor every show to your teaching schedule,

curriculum themes, and special-education needs.

We have collaborated with the Italian Consulate of LA, Italian American Museum of LA, Fondazione Italia, and schools including Franklin Elementary, Hollywood High School, and CHAMPS Charter High School of the Arts.

CERTIFIED + SCHOOL READY

All company members working with minors have:

- Live Scan background checks
- Mandated Reporter / child-abuse & neglect training
- Child-safety and abuse-prevention training

Your students' safety and well-being are always our priority.

WHY SCHOOLS CHOOSE REBELÒT

- Professional, trained stage actors
- Shows tailored to curriculum and student needs
- Engaging, hands-on learning built into every performance
- Fully certified and experienced working with children
- Memorable, enriching theatre experiences for grades Pre-K to 5

OUR SHOWS

EUREKA! – SCIENCE SHOW

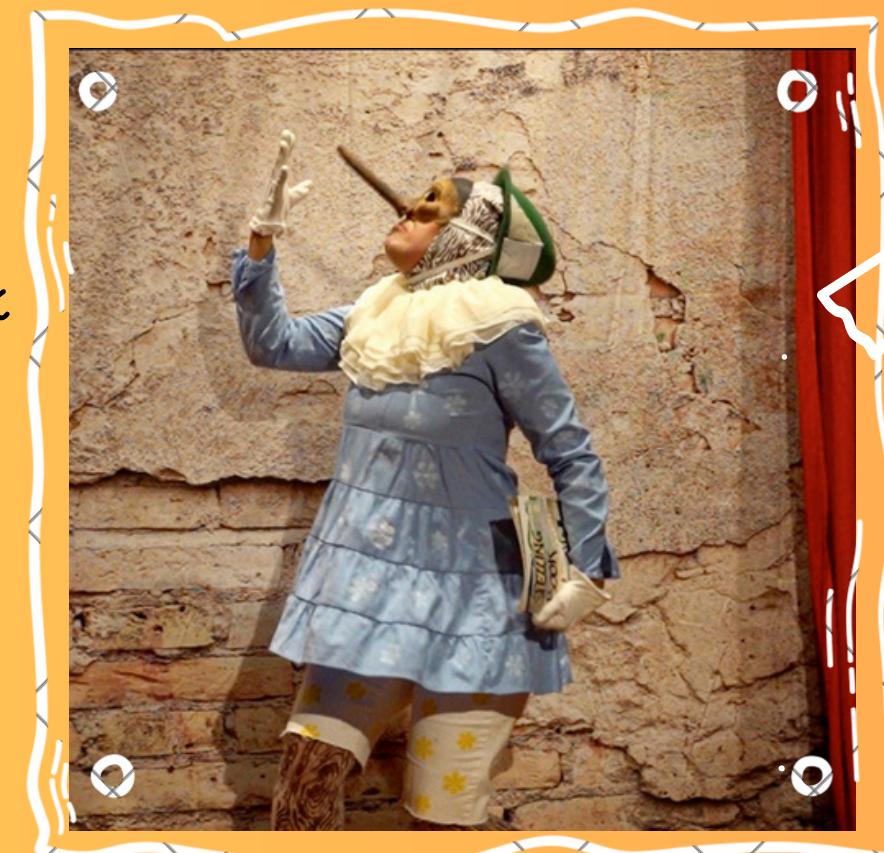

Real experiments, live music, and hands-on participation that make science exciting and memorable.

PINOCCHIO

A dynamic adaptation of the classic Italian book that promotes literacy, imagination, through stop motion animation and games.

THE POPCORN CLUB

A film-education program where students explore basic movie techniques through teacher-selected short films and interactive Q&A.
