HAPPY CANADA DAY!

Dear Neighbour,

Canada was built by hard working men and women who had a vision of freedom and democracy for all. Their vision has been passed on to generations of Canadians who have continued to uphold and defend it.

We celebrate how Canada is the best country in the world because it offers the freedom to pursue your dreams, and to live your life as you choose. We must cherish our freedom as a core value that we must strive to protect.

On July 1st, let's join together as Canadians and celebrate our country and its achievements. Let's honour and celebrate the cultures of First Nations, new Canadians and Canadians whose families have been here for generations. Let's appreciate and celebrate our farmers, our innovators, our workers, our veterans, our seniors, and our children. Let's celebrate Canada in all its glory. Let's celebrate our past, our present, and our future.

Let's honour those who have made Canada what it is today, and let's work together to make Canada even better tomorrow!

Happy Canada Day!
