## ABOUT ME

I am a passionate, hardworking and ambitious person. I like working alone and as part of a team alike. I constantly strive to improve both my design as well as interpersonal skills while doing something I truly like. I enjoy rendering, sketching as well and CAD modelling and research.

## WORK EXPERIENCE

Product Design Intern Jan - August 2025

Holst Centre, TNO | Eindhoven, Netherlands

Worked within the Hybrid Printed Electronics Department on researching the implementations of flexible substrates in Smart Wound Care. Took part in researching and developing concepts, prototyping and showcasing ideas through presentations, sketching and renders.

Retail Assistant/ Barista

July 2022-present

Zest! | Limerick, Ireland

Part-time work during my studies in which I provided high-quality customer service through efficient coffee preparation, accurate till operation, attentive table service, and creative cake decoration, contributing to a welcoming cafe atmosphere.

Camp Counsellor

2023-2024

YMCA-YWCA Camp Stephens | Kenora, Ontario, Canada

Summer work between semesters at a non-profit children's summer camp in Kenora, Ontario, Canada. 10 weeks on a lake included leading activities such as kayaking, canoeing, rock climbing, camping and activity planning.

## VOLUNTEERING

Treasurer/ Vice Chairperson

Sept. 2023- Sept. 2025

UL Swim Club | Limerick, Ireland

As treasurer I was in charge of managing the swim club funds, running the SumUp store, logging budget: incomes & expenditures.

Sept. 2025 - Present

Within the role of vice chair I am involved in assisting the chairperson when needed, help run committee meetings and delegating tasks between committee members.
