

Job Description

Team Lead – Graphic Design & UI/UX

Location: Chennai, India

Job Type: Full-Time

Experience: 5+ Years

About the Role

One of our clients is looking for a Team Lead – Graphic Design & UI/UX to manage their creative team. This role requires a skilled design professional with strong leadership abilities to oversee branding, digital design, and UI/UX projects. The ideal candidate will drive creative direction, ensure design excellence, and collaborate with cross-functional teams to deliver high-quality visual and user experiences.

Key Responsibilities

- **Team Leadership** – Lead, mentor, and guide a team of graphic designers and UI/UX designers.
- **Creative Direction** – Oversee branding, marketing materials, and digital design projects.
- **Project Management** – Ensure timely execution of design projects while maintaining quality standards.
- **UI/UX Excellence** – Develop user-friendly digital experiences, including websites, apps, and dashboards.
- **Brand Identity & Visual Design** – Assist in creating strong brand identities and marketing assets.
- **Client & Stakeholder Collaboration** – Work closely with clients and internal teams to align design objectives.
- **Process Improvement** – Implement best practices for efficient workflows and quality control.
- **Cross-Functional Coordination** – Partner with developers, marketing teams, and content creators for seamless execution.

Requirements

- Bachelor's degree in Graphic Design, UI/UX, Visual Communication, or a related field.
- 5+ years of experience in graphic design and UI/UX, with at least 2 years in a leadership role.
- Strong proficiency in Adobe Creative Suite (Photoshop, Illustrator, InDesign), Figma, Sketch, and other design tools.

- Deep understanding of design principles, user experience, branding, and typography.
- Experience in wireframing, prototyping, and user testing for digital products.
- Strong portfolio showcasing brand design, digital graphics, and UI/UX projects.
- Excellent leadership, communication, and project management skills.
- Ability to handle multiple projects simultaneously and meet deadlines.
- Knowledge of front-end technologies (HTML, CSS) is a plus, but not required.

Why Join?

- Work with a talented team on innovative and exciting projects.
- Gain opportunities for career growth and leadership development.
- Engage in creative freedom and contribute to impactful design solutions.
- Enjoy a dynamic and collaborative work environment with competitive benefits.

How to Apply:
