

Reading at the Rock Library
read. connect. inspire.

Accessibility Policy

Reading at the Rock Library is committed to equitable access to resources and services for all patrons, including those with disabilities. We strive to select accessible technologies and comply with the Americans with Disabilities Act (ADA), providing reasonable accommodations as needed.

Building accommodations

Our library is located inside a public church, so it is ADA-accessible. We provide accessible routes, entrances, restrooms, and parking. We strive to provide a welcoming and inclusive environment for everyone.

Communication

We are committed to providing effective communication with individuals with disabilities, including providing alternative information formats and offering communication aids and services, such as sign language interpreters, upon request.

Web Accessibility

We aim to meet WCAG 2.2 AA standards to ensure an inclusive web experience for all users. Some downloadable files may be in PDF format, requiring Adobe Acrobat Reader (free download).

Feedback and Support

We continually work to enhance accessibility. We are happy to assist any public member with reading and accessing content on our site. If you encounter barriers or need accommodations, please let us know.
