*For projects greater than one (1) acre, partial acres round up to nearest whole acre

**Re-Certification & Renewal Fees due in conjunction with Municipal Renewals

Residential Categories : Stormwater Basins are counted as separate lots/buildings when calculating Review & Inspection fees

Additional Fees

- 1. Reinspection Fee:** a \$180 re-inspection fee may be assessed when a Report of Compliance is requested and the site is not stabilized in accordance with the Standards for Soil Erosion & Sediment Control in New Jersey.
- 2. Revisions:** A fee of \$120/hour will be charged to review plans that were previously Certified but have been revised by the Project Owner.
- 3. Continuance of Certification:** permits are valid for 3 1/2 years. Permits must be renewed prior to Expiration date. Additional Inspection & Compliance Fees may be due.
- 4. Plan Withdrawal:** Upon written request by the Project Owner and approval by the District Board of Supervisors, the unused portion of Inspection fees may be refunded if the plan is withdrawn.
- 5. Stop Work Order:** In the event the District must issue a Stop Work Order, the Project Owner shall be responsible for all costs (including District Legal Counsel and staff time). District time will be billed at \$120/hour.
- 6. Fees for Extraordinary Expenses:** Projects that require excessive reviews, inspections or enforcement actions that result in the original fee being exhausted, will be billed at \$120/hour.
- 7. Returned Check Fee:** a \$75.00 charge will be assessed for any check that fails to properly clear.
- 8. Non-Compliance Fee:** A Non-Compliance Fee of \$300.00 may be assessed when a Violation Notice is issued for failure to follow the approved Soil Erosion Plan.
- 9. SSCC Fee** represents a \$25.00 per application surcharge fee assessed by the NJ Department of Agriculture, State Soil Conservation Committee
