REQUEST FOR DETERMINATION OF NON-APPLICABILITY

****IMPORTANT – READ ALL INFORMATION CAREFULLY****

I, the undersigned, request that the subject land disturbance be reviewed for determination of non-applicability of the NJ Soil Erosion and Sediment Control Act (N.J.S.A. 4:24-et seq.) I understand that I am responsible to provide the required information and review fee as requested below. I further understand that should the activity deviate from the information provided, any determination of non-applicability will be rendered VOID and will require a reassessment of the land disturbance by the District. Non-applicability means the subject land disturbance does not meet the definition of a project under the Act and as such does not require formal Soil Erosion and Sediment Control Plan Certification. The District may require additional information to support this request.
