

## Remote Consulting Terms and Conditions for 2025

Dear Client,

Remote consulting fee schedule has been modified to suit short (90 day) or longer-term seasonal use (180 day).

Remote consulting is available on a continuous or seasonal basis and clients can opt in and out depending on needs.

Remote Consulting Service	Individual Account (1 user per account)		Corporate Account (2-5 users per account)	
	90-day	180-day	90-day	180-day
Digital platforms, email, voice calls.	AUD 450	AUD 855	AUD 950	AUD 1,805
Zoom and video meetings	AUD 75 per 40 minute meeting, booked and pre-paid from our website.			

### Terms and Conditions:

- All fees are payable in advance and service commences or continues after payment is received.
- 5% discount applied for taking the 6-month option in either format.
- **Remote Consulting services** are strictly limited to immediate advice, opinion, recommendations and resolution of existing issues as they unfold during the growing season. A **Fair Use policy** applies to this service.
- **Remote Consulting** does NOT include services relating to long term agronomy services and farm productivity planning including preparation of soil health programs, reports and advice, seasonal crop programs, interpretation and recommendations from soil and leaf test data, digital meetings and presentations.

### Disclaimer:

This remote consulting service is completely independent of product suppliers and product recommendations rely solely on the information supplied by manufacturers about their products. As I have no control over the weather, nor the way products are stored, mixed and used, I will not be held liable for product performance under any conditions. The client uses their own discretion and experience in deciding to implement my recommendations.
