

ABOUT US

Solas Marine is a trusted **marine equipment trading** company based in **Alang, India** — one of the world's largest ship recycling hubs.

Since **2010**, we have been supplying high-quality **ship parts, marine machinery, and equipment** to buyers around the globe. We help shipowners, yards, and operators find the right products quickly and affordably — whether new or reconditioned.

We specialize in:

- Buying and selling marine spare parts
- Trading engine room & deck machinery
- Global import and export of marine goods

With years of experience and a strong network, we offer reliable service, fast delivery, and competitive prices.

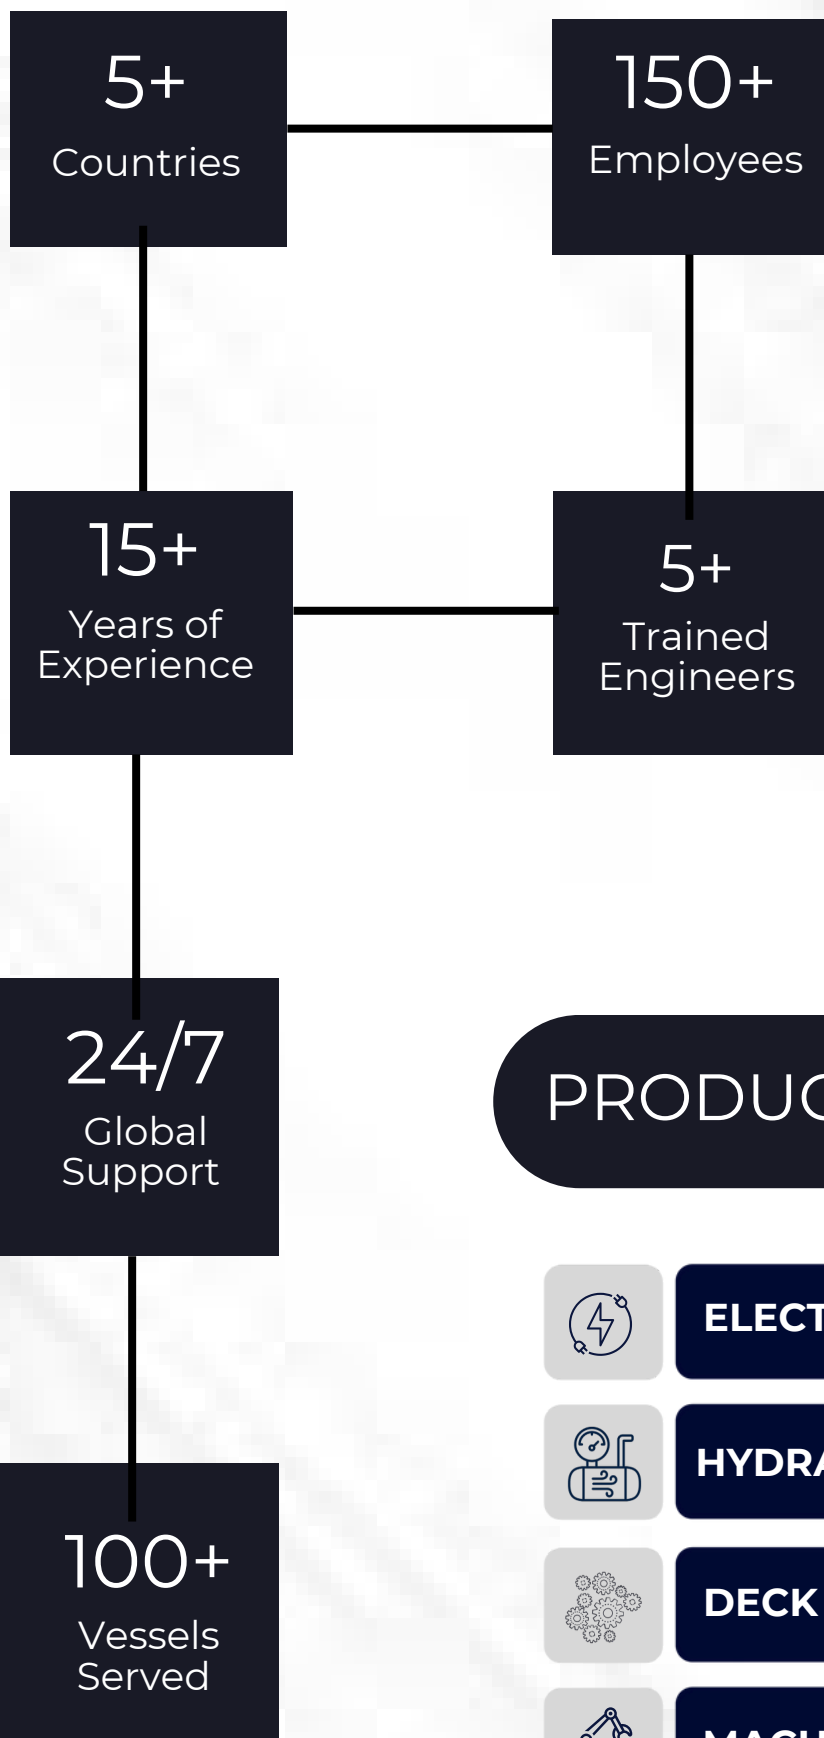

Solas Marine – Your global partner for marine trading.

Vision

To be a leading global trading partner in the maritime industry by providing reliable, high-quality marine equipment and ship spare parts that support safe, efficient, and sustainable shipping operations

Mission

We make it easy for shipowners, yards, and operators to find quality marine parts and machinery from around the world. Our goal is to offer fast, honest, and reliable trading services — whether you're buying or selling.
