About Elder Bloom Wellness Society

Elder Bloom Wellness Society is a registered nonprofit in Kamloops dedicated to helping older adults live with dignity, connection, and purpose. Our mission is to provide therapeutic day programming that supports seniors facing disability, chronic illness, or social isolation while also giving caregivers much-needed respite.

With nutritious meals, meaningful activities, transportation, and light personal care, we ensure that seniors can continue to thrive in the community they call home. Your support makes this possible — helping us remove financial barriers so every senior has access to the care and connection they deserve.

Breaking Down Barriers

Many seniors in our community face barriers such as limited income, disability, chronic illness, or a lack of social support. These challenges often result in isolation, poor nutrition, and caregiver burnout. It takes approximately \$1,500 a month to provide one participant with the full benefit of Elder Bloom's therapeutic day program. Sponsorship helps ensure that no senior is left behind simply because of financial hardship.

Your Sponsorship in Action

As a sponsor, you can make a direct and life-changing difference. Your support may cover the full monthly cost for a participant, nutritious meals, or the activities and outings that give seniors purpose and joy. Sponsorships can be made on a monthly, annual, or one-time basis, giving you flexibility to choose the level of commitment that works best for you.

Your sponsorship supports:

- Seniors' well-being – through healthy meals, social connection, and therapeutic programming.
- Caregiver relief – giving family caregivers time to rest and recharge, reducing burnout.
- Community strength – helping seniors age in place with dignity, reducing pressure on long-term care systems.

Each sponsorship is a direct investment in the health, happiness, and dignity of local seniors.
