Franklin India Banking & PSU Debt Fund milestone

Chennai, May 29: Franklin Templeton Mutual Fund is marking the 11th anniversary of the Franklin India Banking & PSU Debt Fund, with a significant dual milestone with the scheme crossing Rs.500 crore in Assets Under Management (AUM). Launched in 2014, the fund invests a minimum of 80% of its portfolio in high-quality debt instruments issued by banks, public sector undertakings (PSUs), and municipal bodies, aiming to deliver optimum returns with low credit risk. The fund is structured to minimize interest rate volatility while maintaining portfolio quality. Over the past 1-year and 3-year periods, the scheme has outperformed its benchmark, reflecting robust and

consistent performance. A Rs.10,000 investment at inception would have grown to Rs.21,942 today, while a Rs.10,000 monthly SIP since inception would now be worth Rs.19,58 lakh—testament to the fund's steady compounding over time. The scheme jointly managed by Chandni Gupta and Anuj Tagra is suitable for retail investors who are looking for stability by minimising interest rate volatility & lowering credit risk on their fixed income investments while generating a good risk adjusted return. As of April 30, 2025, the fund had 57.16% of its portfolio in PSU debt instruments and 16.20% in government securities (gilt). The fund is suitable for investors looking at an investment horizon of a year or more.
