Summer Bocce Fun

It's that time of year again! We are getting ready to start up our 5th Ethel Wilson Summer Bocce Ball League. It is open to all women. Bring a friend.

We will follow last year's schedule. We will go every Monday 1:15 - 3:30 during July and August.

If you cannot make a Monday, NO problem. Come when you can. Being summer we know you will have holidays and company may show up. Not to worry. We will just work around it.

Our first day will be July 6th

We thank Linda Snelling for hosting us again this year on The Keith Snelling Memorial Field (6356 Oldfield Road).

We have ONE goal to have fun, many laughs and enjoy the sun and summer with friends. (I guess that's 3 goals) Don't want to play just come and socialize.

You will need to bring your own chair and a beverage if you wish.

Discover the Spark

A Week that will Last a Lifetime!

Many families simply can't afford to send their children to camp—but with your support, we can ensure that every child has the opportunity to experience the joy, friendships, and personal growth that camp provides. Your donation can make a difference!

There are a number of ways to donate:

- Mail in a cheque to the camp at: 2520 West Shawnigan Lake Rd., Shawnigan Lake, B.C., V8H 2E1

Food Security Project

The United Church
of Canada

In 2013, the United Church adopted a [commitment to food sovereignty](#) as a framework to help foster more just food systems in Canada and around the world. Food sovereignty centres on the idea that broken relationships must be rebuilt, including relationships between people and the land, as well as those between producers and consumers. At the same time, it calls us to transform our perspective on food—from food as a commodity to food as a right for all.

[Statement from the United Church of Canada](#)

As part of the Canada Summer Jobs Program, we here at Cordova Bay United Church will be making announcements each week sharing information about food security and how we can get involved.

Want to buy local food but don't know where to look?

Spirit Kids go on tour

As we live out our 75th year as a faith community, the Spirit Kids decided to go on tour and explore the building we have been calling home since January 1988. First stop was the church office by way of the Library and Friendship Room. The kids learned that all these rooms, including the copy room and Sharon and Beth's offices were once part of the original family home on the property. With lots of questions and giggles along the way, we also found time to have fun with the copier. And of course the tour included some swag; CBUC pens and a 'Kids are Special People' badges.
