

PURE GOLD IN EVERY DROP..

WELCOME TO GIRVANA HEALTHY WORLD.

YOUR HEALTH OUR RESPONSIBILITY.....

WHAT IS GIRVANA ?

IN TODAY'S ADULTERATED WORLD, GIRVANA IS A RENOWNED BRAND OF TRADITIONAL GHEE MADE FROM INDIGENOUS COWS. BILONA METHOD IS USED TO MAKE GHEE, AND FROM A2 GIR COW'S PURE MILK TO PURE GHEE, NO CHEMICALS ARE ADDED IN THIS PROCESS, ALL THE MANUFACTURING METHODS ARE DONE BY THIS BILONA METHOD. OUR MAIN AIM IS TO DELIVER BEST AND PURE GHEE TO THE CONSUMERS.....

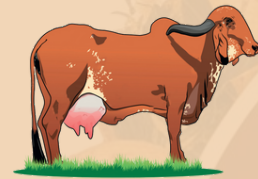

WHAT IS BILONA METHOD?

Bilona is an ancient Indian method of making ghee. The A2 Gir Cow milk is boiled and cooled. A spoonful of curd is added to the milk and kept at room temperature overnight. The curd is churned to extract butter (Makkhan) from it. The butter is heated so that the water evaporates leaving behind milk solids & Pure Ghee.

BENEFITS OF A2 GIR COW GHEE

- **Nutrient-Rich:** Packed with essential vitamins (A, D, E, K) and healthy fats like Omega-3 and Omega-6.
- **Digestive Health:** Easily digestible and promotes better digestion.
- **Immune Support:** Contains butyrate and antioxidants that boost immunity.
- **Anti-Inflammatory:** Reduces inflammation, beneficial for conditions like arthritis.
- **Heart Health:** Helps maintain healthy cholesterol levels and supports cardiovascular health.
- **Weight Management:** Boosts metabolism and provides lasting energy, aiding in weight control.
- **Skin and Hair Health:** Moisturizes skin and nourishes hair, promoting growth and reducing dryness.
- **Brain Health:** Supports cognitive function and brain development.
- **Detoxification:** Aids in removing toxins from the body and improves liver health.
- **Flavor Enhancement:** Adds rich, nutty flavor to dishes, enhancing overall taste.

OUR MISSION & VISSION

MISSION

At Girvana, our mission is to provide the purest and highest quality A2 Gir Cow Ghee, crafted with dedication and a deep respect for traditional methods. We are committed to enhancing the health and well-being of our customers by offering a product that is not only delicious but also packed with essential nutrients. Our focus is on sustainable and ethical farming practices, ensuring the welfare of our cows and the environment. By preserving the rich heritage of Gir cows, we strive to promote a healthier lifestyle and support local communities.

VISSION

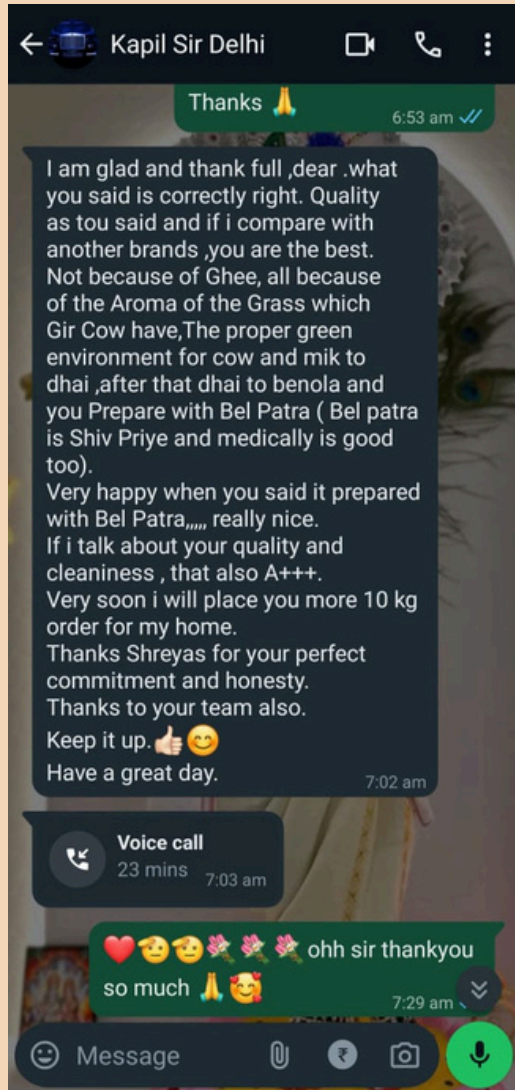

Our vision at Girvana is to be a global leader in the production of authentic A2 Gir Cow Ghee, known for our unwavering commitment to quality, purity, and sustainability. We aim to create a legacy of trust and excellence, where every jar of our ghee symbolizes our dedication to health, tradition, and environmental stewardship. We envision a future where Girvana is synonymous with the finest A2 Ghee, fostering a world where natural and wholesome products are accessible to all, and where the benefits of traditional Indian dairy practices are recognized and appreciated globally.

CUSTOMER FEEDBACK..

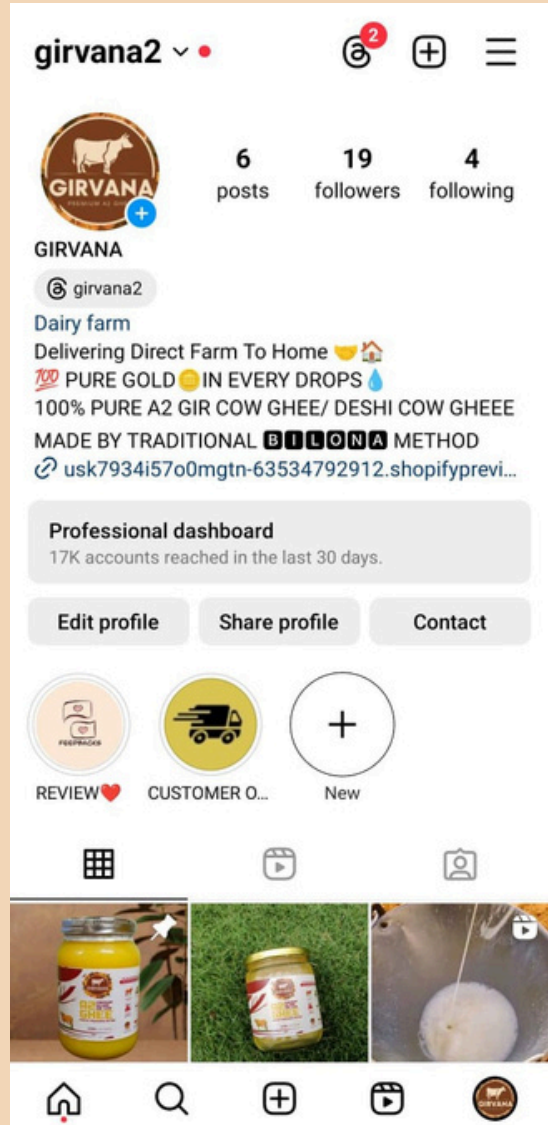

why gir cow is good

This high milk production makes the Gir cow a valuable breed for dairy farmers. The milk produced by the Gir cow is also of high quality, with a high butterfat content and a rich, creamy flavor. The Gir cow is also known for its disease resistance, making it a hardy breed that can withstand harsh conditions and disease outbreaks.
