

Whispers of the Wyrd Path

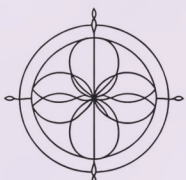

Sacred Invocations for the Becoming Soul

These invocations are threads of ancient magic. Use them as your companion on the Wyrd Path. Speak them aloud, meditate with them, or carry them in your heart as you walk between worlds.

These invocations are gifts for your personal journey. Please honour their sacred nature by not copying, sharing, selling, or using them commercially. They are meant to support your inner weaving and transformation.

May they deepen your connection to the old ways and the timeless song of your ancestors.

If these sacred whispers call to you, you may wish to explore my offerings on my Wyrd Path website.

PATH

*I am guided
by the old
magic that
stirs in stone,
shadow, and
silence.*

WYRD
PATH

*My soul
remembers
what the
world has
forgotten.*

WYRD
PATH

*The threads of
my life weave
true when I
listen to the
quiet voice
within.*

WYRD
PATH

*I honour the
crossroads, the
thresholds, and
the wisdom they
reveal.*

WYRD
PATH

*I gather the
gold from my
ruins and
begin again.*

WYRD
PATH

*Where
shadow and
shimmer
meet, there
I become.*

WYRD
PATH

*The threads of
fate move
through me.
I am both
weaver and
woven.*

WYRD
PATH

*The song of
my ancestors
sings through
my blood and
bone.*

WYRD
PATH

*I listen to
the whispers
of wind and
wave, of leaf
and flame.*

*I carry the
song of the
earth, the
sky, and all
that lives
between.*
