"THE FUTURE BELONGS TO THOSE WHO PREPARE FOR IT TODAY"

# Message from Management

AEWT, a duly registered trust, promoted educational, social workers and domain experts was established in 2015 with the aim of prompting specialized technical and vocational education in the field of nursing, pharmacy, paramedicals and other employment as well as self-employment oriented professional courses for the students of unreserved, unserved and underserved areas of North Eastern region.

The primary objective of AEW T is to establish itself as the most preferred training institute of the region in the field healthcare management. Relentless effort and resources has been deployed in terms of quality infrastructure, faculties and trainer and effective learning environment to achieve this objectives.

The management committee whole heartedly believes that access to improved healthcare services by the population at large can only be achieved through producing quality human resources. After successful completion of ANM, GNM, D.Pharm and other paramedical courses, the trainee of AEW T will surely prove themselves to be an asset to the society.

Through this forum, we compliment and congratulate the entire Institution (Faculty, Non Teaching Staff and Students) and wish all the best to rise higher scales in the field of professional education. We live and work together as a family unit and hope that your association with us will be more comfortable, fruitful and memorable.

**Mr Ranjit Boruah**  
President

**Mr Madhurjya Rajkhowa**  
Secretary

**Mr Subhankar Gogoi**  
Account Officer

**AEWT Group of Institutions**  
Titabar, Jorhat (Assam)

## ABOUT AEW GROUP

Assam Educational Welfare Trust, Jorhat bearing Reg. No- 3357/2015 has been established in the year of 2015 for imparting, teaching & training of various Nursing, Pharmacy, Paramedical and other Job oriented professional courses.

<u>Mariani Railway Station</u>	18 kms
<u>Titabar Railway Station</u>	5 kms
<u>Golaghat Bus Stand</u>	24 kms

"A nurse is to maintain the air within the room as fresh as the air without, without lowering the temperature."

*Florence Nightingale*

## ASSAM NURSING INSTITUTE

Nursing is an art and a science as well as a humanitarian service. It is a unique profession within the health care sector focused on the care of individuals, families, and communities. Florence Nightingale was the founder of 'Modern Nursing'. She laid the foundation of professional nursing with the establishment of her nursing school at St Thomas Hospital, London in 1860. Nurses play a vital role in the health care system of any country whose main goals are to promote healthy lifestyles, prevent diseases, alleviate suffering and rehabilitate individuals that are differently abled. Therefore, most of the countries have strengthened their nursing profession through degree level education and specialization in selected fields of nursing in order to provide effective and efficient health care for the public.

### ABOUT US

Assam Nursing Institute also known as ANI was started in the year of 2018 and recognized by Indian Nursing Council, New Delhi and approved by Assam Nursing Council and Health & Family Welfare Department, Govt. of Assam

## ASSAM PARAMEDICAL INSTITUTE

Paramedical Science is that field of science which helps in providing assistance to doctors in treating their patients, the stream of paramedical science ranges from diagnostics to procedures of therapies.

Paramedics are the key players in health and medical sectors. Without paramedics, the entire health industry is out of gear and is almost non-functionary.

A paramedic is a professional who helps the doctors in specialize areas and facilities for better diagnosis, treatment and therapy. The increase in number of patients, variety of diseases and the demand for immense treatment have paved the way for paramedical professionals who are expert technicians or therapists providing better quality towards human health care. Thus the field of paramedical sciences is gaining ever increasing importance and demand offering lucrative careers in the health sectors.
