About us

At FlechaConnect, we help law firms and high-growth companies strengthen their teams with talent who can elevate the business from day one. We take a boutique, relationship-driven approach, blending intuition, precision, and deep industry understanding. Whether a client is expanding, building structure, or navigating rapid growth, we partner closely to define the role, diagnose gaps, and present high-impact professionals who align with both the work and the culture.

National contract staffing services

Contract staffing provides a flexible workforce solution, allowing our clients to scale operations efficiently based on business demands—without long-term commitments. We are proud to offer contract staffing services across all 50 states.

Doing business with us easy

Navigating contract staffing across multiple states can be challenging, but we simplify the process. With our seamless online portal and comprehensive suite of services, adding contractors into your organization is effortless—we take care of everything, including:

- General liability, professional liability, cyber and other insurance
- Wage garnishments and state/local tax payments/filings
- Workers' compensation coverage across all types of roles
- Unemployment filings/claims
- Employee benefits
- Licenses and certifications in all 50 states

Contractor experience & benefits

We understand the importance of providing your contractors with a great experience. From seamless onboarding to dependable pay and valuable benefits, you can be confident that they'll feel supported every step of the way.

Employment Experience

- Efficient onboarding
