

Eastern White Pine

Eastern White Pine offers endless opportunities confined only by your imagination...

- A favorite for both contemporary and modern designs and historical restorations.
- Beautiful for interior finishing, tough for exterior siding.
- Knots add natural character while the fine grain supplies strength..

YELLOW PINE FLOORING

1 x 8 Number 2 and Better.....\$1.20

Yellow pine is more durable than white pine while still providing plenty of knots for character. The back side of the flooring boards has relief cuts to prevent cupping and warping and aid in flat installation. The yellow pine flooring comes in packs lengths from 8 to 16 foot bundled in packs of 5 boards to protect the face of the flooring.
