# Pre-Marriage Coaching

Build your future on Purpose, Not Assumption

Marriage is one of life most sacred commitments, but love alone isn't always enough. Pre-Marriage coaching offers you and your partner the space to have the important conversations now, so you can build a relationship that's strong, honest, and aligned from the start.

---

This Coaching is not about TESTING your relationship; it's about strengthening it.

Together, we'll explore:

- Your shared values, faith, and life vision
- Communication styles and how to resolve conflict with respect
- Views on finances, family, intimacy, and personal space
- Expectations and how to honour each other's individuality
- How to build a spiritual and emotional foundation that endures

**YOUR JOURNEY MATTERS**
