Example of the game

<p>1 Mia 1</p> <p>Hello, my name is Mia and I live in Greece.</p> <p>I live with my family on the outskirts of a large city in the west.</p>	<p>2 Mia 2</p> <p>It's usually quite hot here in summer.</p> <p>Winter is short and it rarely gets very cold.</p>

<p>3 Mia 3</p> <p>Summers have been getting hotter and hotter for some years now.</p> <p>Many older people suffer from the heat. My grandma doesn't feel well then either.</p>	<p>4 Mia 4</p> <p>There are more and more large forest fires. The fires spread very quickly.</p> <p>People then have to flee their homes. Some houses burn down completely.</p>

<p>Hello, I'm Nikita and I live in Siberia. Siberia is in Russia.</p> <p>I live with my family in a house on the outskirts of the city.</p>	<p>It's cold here all year round. The winters are icy.</p> <p>The ground is almost always frozen.</p> <p>The frozen earth is as hard as stone.</p>

<p>But for some years now, winters have not been as cold as they used to be.</p> <p>This causes the ground to thaw. It then becomes very soft and muddy.</p>	<p>On the soft ground, the houses are no longer stable and collapse.</p> <p>We would like to build a really stable house.</p> <p>But unfortunately we don't have the money for that.</p>

<p>Hello, I am Nio from Tanzania.</p> <p>I live in the countryside with my family.</p> <p>We grow corn and have 14 cows.</p>	<p>It's hot here all year round.</p> <p>We have a short and a long rainy season.</p> <p>In between, it doesn't rain at all for many weeks.</p>

<p>For some years now, there has been less and less rain during the rainy seasons.</p> <p>Then the corn in the fields dries up and we hardly have any water.</p>	<p>Two cows have already died this year.</p> <p>We have now sold five cows. We used the money to buy maize so that we have something to eat ourselves.</p>
