

## **Part Time Exercise Physiologist (new graduates welcome)**

**Are you a patient centric Exercise Physiologist who wants to work in our fast-growing Private Practice?**

[Restorativ Physiotherapy](#) in Pimpama is growing quickly, and we need an Exercise Physiologist to join our friendly team. Our focus is on professional, patient-centred care, evidence-based treatment approaches and a supportive, collaborative work environment.

### **Who are we looking for?**

We are looking for a highly motivated and skilled Exercise Physiologist to join our friendly and dynamic team. The ideal candidate will design and implement evidence-based exercise programs tailored to the unique needs of clients, including those recovering from injury, managing chronic conditions, or seeking improved fitness and performance. The position will start part time at 2 days per week split over 4-hour shifts (16 hours). There will be the opportunity to increase your hours as patient demand increases. The role will be based in our on-site rehab gym but there may be occasions where you need to meet clients at their workplace or at an offsite gym. New graduates are welcome to apply.

### **Key Responsibilities:**

- Conduct comprehensive assessments of clients' physical fitness, functional capacity, and overall health.
- Design, implement, and monitor individualized exercise programs aimed at improving mobility, strength, endurance, and overall well-being.
- Collaborate with physiotherapists and other healthcare professionals to ensure cohesive treatment plans.
- Educate clients on the benefits of physical activity and provide strategies for maintaining an active lifestyle.
- Monitor clients' progress, adjust exercise programs as needed, and document outcomes.
- Provide guidance on injury prevention and safe exercise techniques.
- Stay updated on the latest research and developments in exercise physiology and rehabilitation practices.

### **Qualifications:**

- Exercise Physiology and Physiology skills
- Experience in Rehabilitation and Exercise Prescription
- Strong Rehabilitation knowledge
- Excellent communication and interpersonal skills
- Ability to work independently and collaboratively
- Bachelors or master's degree in Exercise Physiology

- ESSA Registered as Accredited Exercise Physiologist
- Up to date First Aid Certificate
- Full Driver's License and access to a personal vehicle

**What we're offering:**

- The salary is between \$75k - \$90k per annum pro rata (including super), dependent on experience.
- Additionally, we will recognise your contribution to our Clinic's growth through our annual Variable Performance Bonus Scheme.
- Mobile phone allowance reimbursed as expense.
- Supportive environment with administrative assistance to enhance your focus on participant care hours.
- Ongoing **professional development** as part of our commitment to help you be the best physiotherapist you can be. This includes:
  1. Weekly **clinical training and mentoring sessions**
  2. Monthly **in-services**
  3. Funding for **external education courses**

**How to apply:**

**Email:** [info@restorativphysio.com.au](mailto:info@restorativphysio.com.au) **with:**

- **Cover Letter** - explain why you believe you're the right fit for Restorativ Physiotherapy and briefly outline your career goals
- **CV** - include any relevant experience, hobbies and interests
