

Full time Musculoskeletal Physiotherapist

Are you a skilled and patient centric Physiotherapist who wants to work in our fast-growing Private Practice?

Restorativ Physiotherapy in Pimpama is growing quickly, and we need another Physio to join our friendly team. Our focus is on professional, patient-centred care, evidence-based treatment approaches and a supportive, collaborative work environment.

Who are we looking for?

As a Physiotherapist in our private practice, you will play a crucial role in assessing, diagnosing and treating clients with various musculoskeletal conditions. You will build meaningful relationships with clients, be passionate about your work and excited for each new day.

Ideally, we are looking for a team member with 1-2 years' experience in Musculoskeletal Physiotherapy but it's more important that we find the right person, so new graduates and anyone who feels like the role is a good fit, is welcome to apply. To help you balance your life, we are happy to consider flexible working arrangements, that work for you and us.

What we're offering the successful candidate:

- The salary is between \$90k - \$110k per annum pro rata (including super), dependent on experience.
- Additionally, we will recognise your contribution to our Clinic's growth through our annual Variable Performance Bonus Scheme.
- Mobile phone allowance reimbursed as expense.
- Use of our fully equipped private Rehab Gym, around our client's requirements.
- Supportive environment with administrative assistance to enhance your focus on participant care hours.
- Ongoing **professional development** as part of our commitment to help you be the best physiotherapist you can be. This includes:
 1. Weekly **clinical training and mentoring sessions**
 2. Monthly **in-services**
 3. Funding for **external education courses**

Key Responsibilities:

- Deliver healthcare to an excellent standard
- Communicate effectively and compassionately with clients
- Collaborate with other healthcare professionals and continue to support the relationships we have in the community
- Participate in regular education sessions and stay up to date with the latest evidence-based treatment approaches

Qualities and Qualifications we are looking for:

- A degree in Physiotherapy.
- Desire to be an excellent physiotherapist who is continually learning through commitment to professional development.
- Ability to thrive independently and as part of a collaborative team.
- Valid driver's license and personal vehicle.
- Have a current AHPRA registration and hold Indemnity Insurance prior to work commencement.

How to apply:

Email: info@restorativphysio.com.au **with:**

- **Cover Letter** - explain why you believe you're the right fit for Restorativ Physiotherapy and briefly outline your career goals
- **CV** - include any relevant experience, hobbies and interests
