ABOUT US

In 2017, we established our company named "**Mesken Grup**" in order to create projects that are beneficial to our country in various sectors.

In 2018, we started to operate under the name "**Mesken Grup - Yapi**" with the knowledge and experience we have gained in the construction and real estate sector over the past years.

During this period, we have carried out many industrial and residential constructions. We have become a reliable brand for people through the work we do, which is based on moral values.
