

Granby Cub Scout Pack

Help sponsor the local cub scout pack of boys and girls in K - 5th Grade. Corporate cars will race alongside cub scout cars. Winner receives a trophy from the corporate class for bragging rights.

For a low suggested donation of \$30 per vehicle entered (cost of the car is included) you can design your car to advertise for your company or simply make a cool looking racer.

All vehicles entered into our corporate class will be featured on granbyscouts.com along with your business name and logo (if supplied).

You can design and build your car or commission one of our scouts to build it for you for an additional \$10.
