

COMPANY PROFILE

ABOUT US

Sawa Media Production Co. Ltd

Established in 2019 at Nyakuron Cultural Center – Juba, Sawa Media Production is a multimedia company that offers videography, photography, design and marketing services to enable the growth of your business.

From concept through production to delivery, we offer you the optimum balance of value and experience. Our team of talented and professional photographers, cinematographers, designers and writers are ready to serve all areas in South Sudan.

Our strength is providing clients with effective visual solutions and valuable artistic depths based on collaboration. We always love to hear your views and opinions on our work. You will deal directly with the team, forming a close working relationship to deliver you with clear, strategic solutions and outcomes for your media needs.
