## WELCOME ON BOARD!

Do you opt for a head turning motor yacht? Designed inside and out by Francesco Paszkowski, Baglietto 100 features a stylish neutral interior with bright, colorful accents. A large main salon benefits from comfortable sofa seating arranged in a U shape, where guests can socialize or enjoy the 42" television screen and surround sound system. The main salon also has a formal dinning space for six guests.

One of her most attractive features is the various accommodation options, including a master stateroom, two VIP cabins, a double and a twin. Each cabin is well-appointed with an en-suite bathroom. Her stylish full-beam master stateroom is located on the lower deck with a walk-in wardrobe and a Jacuzzi bath. One of the VIP cabins features a sliding wall that connects to the double cabin; this means these two cabins can be transformed into one large suite, with a private seating area. She also has accommodation for a crew of six.

Exterior entertaining spaces are found on both her aft deck and impressive sun deck, which has all the features and equipment you would need to enjoy a day in the sun, including a wet bar, ice maker, fridge, Teppanyaki grill, sun loungers and a bimini top.

On board she has a Grant G-380 Suzuki 50hp tender for five passengers, as well as several inflatable water toys.
