# For your outdoor adventures we've got you covered

Whether you're picnicking, backpacking or camping, the G24 can power you through. Stay charged, lit and worry-free with reliable energy wherever your adventures take you.

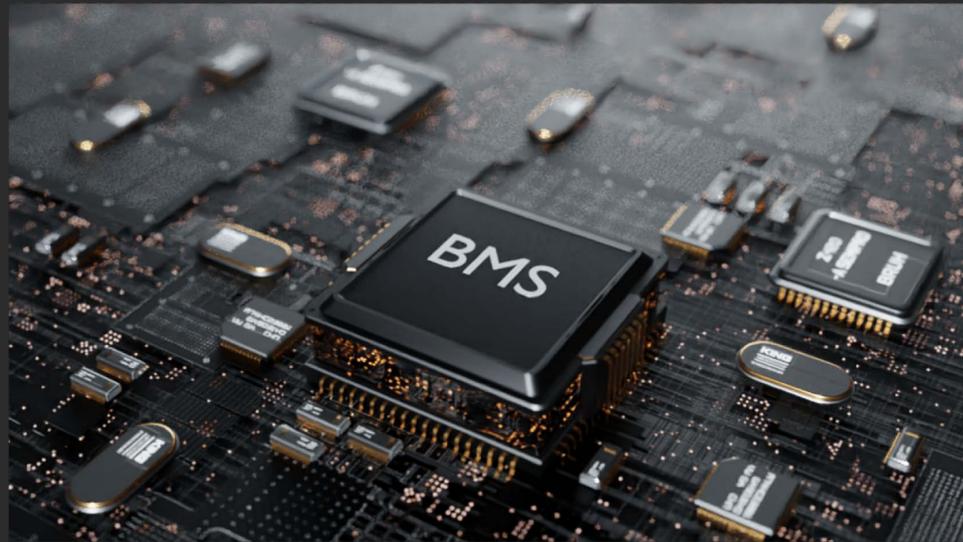

# Power for Every Adventure

Planning a camping trip, heading to a music festival, remote workplace or outdoor event? Simply take the G24 with you and our portable power station will provide you with reliable camping power wherever you go. Stay powered, connected and organised wherever your adventure takes you.

# BMS Intelligent Management System

Comprehensive multiple protection mechanisms ensure safety and reliable operation of the equipment. The lithium iron phosphate battery is safe and durable, and can be recycled for 4000+ cycles, which will have a longer service life.

# G24

**AC Output:** Rated power 2,400W  
Peak power 4,800W

**Capacity:** 2048Wh (51.2V /40Ah)

Supports solar panel charging.

## Technical Specifications

**AC Output Voltage Range:** 100-120V~/60Hz or 220-240V~/50Hz

**DC Output:** 2 \* USB-A QC3.0  
2 \* USB-C PD3.1 Max140W

**XT60 Output:** 12V / 10A

**Car Charger Output:** 12V / 10A

**Wireless Charger Output:** Rated Power 15W

**AC Input:** 100-120V/Max 1200W or 220-240V /Max 1500W

**Solar/MPPT input(XT60):** 12-80V/20A Max 1200W

**Weight:** Approx25 kg

**Dimensions:** 510×265×322mm
