

Degrees									
Service Provider	Supervising Institution	Broad Field of Study	No	Type of Degree	Level	Specific Field of Study / Direction	Degree-Awarding Institution(s)	Status of Diploma	Degree Awarded
International Science and Technology University (ISTU)	HISTES + QAHE + Times Higher Education (THE) + American Accreditation Association (AAA) + International Science and Technology Consortium (Sci&Tech)	Management Sciences	1	Academic	Bachelor	Business Administration	Global Humanistic University	State Recognised and Nationally Accredited	Bachelor of Business Administration (BBA)
			2	Academic	Master	Business Administration	Global Humanistic University	State Recognised and Nationally Accredited	Master of Business Administration (MBA)
			3	Academic	Doctorate	Business Administration	Global Humanistic University	State Recognised and Nationally Accredited	Doctor of Business Administration (DBA)
			4	Professional	CPD	Business Administration	ISTU and Open European Academy of Economics and Politics (Joint Degree)	Globally Certified (Czech Republic)	MBA (Professional Degree)
			5	Professional	CPD	Business Administration	ISTU and Open European Academy of Economics and Politics (Joint Degree)	Globally Certified (Czech Republic)	EMBA (Professional Degree)
			6	Professional	CPD	Business Administration	ISTU and Open European Academy of Economics and Politics (Joint Degree)	Globally Certified (Czech Republic)	DBA (Professional Degree)
		Health Sciences	7	Professional	Bachelor	Cosmetology	International Science and Technology University	Globally Accredited (EDU-INT)	Advanced Professional Diploma in Applied Cosmetology
			8	Professional	Bachelor	Cosmetology	Canada Looks Aesthetic Academy	State Apostilled and Nationally Recognised	Medical Aesthetic Diploma
			9	Academic	Bachelor	Psychology	Renita European University for Smart Sciences	State Apostilled and Nationally Registered	Bachelor of Psychology
			10	Professional	Bachelor	Health Management	Canada MedLabTech Academy	State Apostille and Nationally Recognised	Advanced Diploma in Clinical Laboratory Leadership and Management
			11	Academic	Bachelor	Health Management	Renita European University for Smart Sciences	State Apostilled and Nationally Registered	Bachelor of Health Management
			12	Professional	Master	Clinical Psychology	Open European Academy of Economics and Politics	Globally Certified (Czech Republic)	Professional Master Degree of Psychological Counseling / Practitioner Psychologist
		Technical Sciences	13	Academic	Master	Clinical Psychology	Renita European University for Smart Sciences	State Apostilled and Nationally Registered	Master of Clinical Psychology
			14	Academic	Bachelor	Computer Sciences	Renita European University for Smart Sciences	State Apostilled and Nationally Registered	Bachelor of Computer Sciences
			15	Academic	Master	Computer Sciences	Renita European University for Smart Sciences	State Apostilled and Nationally Registered	Master of Computer Sciences
			16	Academic	Doctorate	Computer Sciences	California Highstone International University	State Apostilled and Globally Accredited (IEAC + EAHEA)	Doctor of Computer Sciences (PhD)
			17	Academic	Doctorate	Computer Sciences	Renita European University for Smart Sciences	State Apostilled and Nationally Registered	Doctor of Computer Sciences (PhD)
			18	Professional	Doctorate	Artificial Intelligence	ISTU and AI Vision University (Joint Degree)	Globally Accredited (EDU-INT) and Nationally Registered	Doctoral-Level Professional Diploma in Artificial Intelligence
		Cyber (Hybrid) Sciences	19	Professional	Doctorate	Artificial Intelligence	ISTU and AI Vision University (Joint Degree)	Globally Accredited (EDU-INT) and Nationally Registered	Doctoral-Level Professional Diploma in Artificial Intelligence
			20	Professional	Doctorate	Cyber and Artificial Psychology	IRICAP (Papert Institute) at ISTU and AI Vision University (Joint Degree)	Internationally Accredited (Sci&Tech + HISTES)	Doctoral-Level Professional Diploma in Cyber and Artificial Psychology
			21	Professional	Doctorate	Foresight and Vision	IRICAP (Papert Institute) at ISTU and AI Vision University (Joint Degree)	Internationally Accredited (Sci&Tech + HISTES)	Doctoral-Level Professional Diploma in Foresight and Vision
			22	Professional	Doctorate	AI Ethics and Alignment	IRICAP (Papert Institute) at ISTU and AI Vision University (Joint Degree)	Internationally Accredited (Sci&Tech + HISTES)	Doctoral-Level Professional Diploma in AI Ethics and Alignment

Certification / Recognition

Service Provider	Supervising Institution	Broad Field of Study	No	Type of Degree	Level	Type of Attestation	Degree-Awarding Institution(s)	Status of Diploma	Degree Awarded
United International Council for Professional Scientific and Technological Recognition (Sci&Tech Brand)	International Science and Technology Consortium (Sci&Tech)	Management Sciences	1	Professional	PostDoc	Professional Certification	International Science and Technology Consortium	Self issued, Self Accredited, State Apostilled	Postdoctoral Certificate in the field of Management
			2	Professional	PostDoc	Professional Certification	International Science and Technology Consortium	Self issued, Self Accredited, State Apostilled	Postdoctoral Certificate in the field of Business Administration
			3	Professional	PostDoc	Professional Certification	International Science and Technology Consortium	Self issued, Self Accredited, State Apostilled	Postdoctoral Certificate in the field of Public Administration
			4	Professional	Doctorate	Professional Recognition	United International Council for Professional Scientific and Technological Recognition (International Science and Technology Consortium) - Internal Degree	Self issued, Self Accredited, State Apostilled	Doctor Ex Meritis in the field of Management
			5	Professional	Doctorate	Professional Recognition	United International Council for Professional Scientific and Technological Recognition (International Science and Technology Consortium) - Internal Degree	Self issued, Self Accredited, State Apostilled	Doctor Ex Meritis in the field of Business Administration
			6	Professional	Doctorate	Professional Recognition	United International Council for Professional Scientific and Technological Recognition (International Science and Technology Consortium) - Internal Degree	Self issued, Self Accredited, State Apostilled	Doctor Ex Meritis in the field of Public Administration
		Health Sciences	7	Professional	PostDoc	Professional Certification	International Science and Technology Consortium	Self issued, Self Accredited, State Apostilled	Postdoctoral Certificate in the field of Health Sciences
			8	Professional	PostDoc	Professional Certification	International Science and Technology Consortium	Self issued, Self Accredited, State Apostilled	Postdoctoral Certificate in the field of Psychology
			9	Professional	PostDoc	Professional Certification	International Science and Technology Consortium	Self issued, Self Accredited, State Apostilled	Postdoctoral Certificate in the field of Health Management
			10	Professional	Doctorate	Professional Recognition	United International Council for Professional Scientific and Technological Recognition (International Science and Technology Consortium) - Internal Degree	Self issued, Self Accredited, State Apostilled	Doctor Ex Meritis in the field of Health Sciences
			11	Professional	Doctorate	Professional Recognition	United International Council for Professional Scientific and Technological Recognition (International Science and Technology Consortium) - Internal Degree	Self issued, Self Accredited, State Apostilled	Doctor Ex Meritis in the field of Psychology
			12	Professional	Doctorate	Professional Recognition	United International Council for Professional Scientific and Technological Recognition (International Science and Technology Consortium) - Internal Degree	Self issued, Self Accredited, State Apostilled	Doctor Ex Meritis in the field of Health Management
		Technical Sciences	13	Professional	PostDoc	Professional Certification	International Science and Technology Consortium	Self issued, Self Accredited, State Apostilled	Postdoctoral Certificate in the field of Computer Sciences
			14	Professional	PostDoc	Professional Certification	International Science and Technology Consortium	Self issued, Self Accredited, State Apostilled	Postdoctoral Certificate in the field of Artificial Intelligence
			15	Professional	Doctorate	Professional Recognition	United International Council for Professional Scientific and Technological Recognition (International Science and Technology Consortium) - Internal Degree	Self issued, Self Accredited, State Apostilled	Doctor Ex Meritis in the field of Computer Sciences
			16	Professional	Doctorate	Professional Recognition	United International Council for Professional Scientific and Technological Recognition (International Science and Technology Consortium) - Internal Degree	Self issued, Self Accredited, State Apostilled	Doctor Ex Meritis in the field of Artificial Intelligence
			17	Professional	PostDoc	Professional Certification	International Science and Technology Consortium	Self issued, Self Accredited, State Apostilled	Postdoctoral Certificate in the field of Cyber and Artificial Psychology
			18	Professional	PostDoc	Professional Certification	International Science and Technology Consortium	Self issued, Self Accredited, State Apostilled	Postdoctoral Certificate in the field of AI Ethics & Alignment
		Cyber (Hybrid) Sciences	19	Professional	PostDoc	Professional Certification	International Science and Technology Consortium	Self issued, Self Accredited, State Apostilled	Doctor Ex Meritis in the field of Cyber and Artificial Psychology
			20	Professional	Doctorate	Professional Recognition	United International Council for Professional Scientific and Technological Recognition (International Science and Technology Consortium) - Internal Degree	Self issued, Self Accredited, State Apostilled	Doctor Ex Meritis in the field of Cyber Sciences
			21	Professional	Doctorate	Professional Recognition	United International Council for Professional Scientific and Technological Recognition (International Science and Technology Consortium) - Internal Degree	Self issued, Self Accredited, State Apostilled	Doctor Ex Meritis in the field of Foresight & Vision
			22	Professional	Doctorate	Professional Recognition	United International Council for Professional Scientific and Technological Recognition (International Science and Technology Consortium) - Internal Degree	Self issued, Self Accredited, State Apostilled	Doctor Ex Meritis in the field of AI Ethics & Alignment
United Institute of Gaming and Gamification (Sci&Tech Brand)	Game Studies	23	Professional	CPD	Professional Certification	United Institute of Gaming and Gamification (International Science and Technology Consortium) - Internal Degree	Self issued, Self Accredited, State Apostilled	Certified Master of Gaming	
		24	Professional	CPD	Professional Degree / Certification	United Institute of Gaming and Gamification (International Science and Technology Consortium) - Internal Degree	Self issued, Self Accredited, State Apostilled	MBA in Gaming & Gamification (Professional degree) - Course in Russian	

Accreditation

Service Provider	Supervising Institution	Accredited Field of Study	No	Type of Degree	Accreditation Level	Accredited Specific Field of Study	Accrediting Body	Status of Certificate	Accreditation Awarded *
International Council for Accreditation and Standardization (Sci&Tech Brand)	International Science and Technology Consortium (Sci&Tech)	Management Sciences	1	Professional	Bachelor	Business Administration	International Council for Accreditation and Standardization (International Science and Technology Consortium)	Self issued, State Apostilled	Internationally Accredited Program in the field of Business Administration (BSc)
