

Possessive Determiners with Noun Phrases

Lesson 1: Home & Garden

Name: _____

Possessive determiners show who something belongs to.

- my your his
- her its our
- their

A noun phrase has a determiner (a word like a, the, my, your) and a noun.

Example:

my big red apple
determiner noun
(possessive) phrase

A. Choose the correct possessive determiner to complete each noun phrase.

- | | | | |
|-----------------------|---|-------|--------|
| 1. my / your |  | _____ | bag |
| 2. his / her |  | _____ | hat |
| 3. its / their |  | _____ | bed |
| 4. our / their |  | _____ | garden |
| 5. your / my |  | _____ | tree |
| 6. her / his |  | _____ | book |
| 7. our / its |  | _____ | eggs |
| 8. their / my |  | _____ | house |

Great job!
You're building super noun phrases!

B. Write a noun phrase using the possessive determiner in brackets and the noun.

- (my)** _____ dog
- (his)** _____ blue bike
- (her)** _____ green bag
- (our)** _____ new house
- (their)** _____ big garden
- (its)** _____ soft tail

Remember!
A noun phrase can have more than one adjective.
Example:
our beautiful green garden

C. Underline the noun phrase in each sentence. Circle the possessive determiner.

- This is my little sister.
- His red kite is flying high.
- Our old oak tree gives us shade.
- Her small, fluffy cat is sleeping.
- Their new garden looks amazing!
- Its tiny paws are so cute.

Example:
This is (my) little sister.

Top Tip!
Look for the possessive determiner first, then underline the whole noun phrase.

Possessive determiners
show who something
belongs to.

my your his
her its our
 their

A noun phrase
has a determiner
(a word like a, the,
my, your) and
a noun.

Example:
