### **Overview**

Hope Dealers, LLC is a neuroscience-informed recovery education and coaching organization dedicated to restoring clarity, dignity, and identity for individuals affected by addiction, trauma, and nervous system dysregulation.

### **Mission**

Hope Dealers exists to provide accessible neuroscience-informed education and practical tools that empower individuals and communities to move from survival into stability, clarity, and purpose.

### **Organizational Stage**

Hope Dealers is currently in its strategic development phase, completing curriculum systems, digital platforms, and operational infrastructure required for scalable program delivery and sustainable impact.

### **Funding Purpose**

Funding will accelerate curriculum production, digital platform expansion, community education programs, technology infrastructure, and operational capacity.

**Hope Dealers™ — We Deal Hope, Not Dope.**
