## The Prayer

Father God,

I come before You in the name of Jesus Christ. I thank You for the people You have placed in my family and within this household.

Your Word says that it is good and pleasant when people dwell together in unity. I ask You to establish that unity here.

If there has been tension, misunderstanding, hurt feelings, or unresolved conflict in our family, I bring it before You now.

Help us to slow down before reacting in anger. Help us to listen with patience and respond with wisdom.

If pride has caused division, soften our hearts. If resentment has taken root, help us to forgive.

Teach us to bear with one another’s weaknesses without bitterness.

Guard our words. Remove harsh speech, sarcasm, and unnecessary criticism from this household.

Replace frustration with understanding. Replace suspicion with trust.

Let peace guide how we handle disagreements. Let humility guide how we correct one another.

If patterns of conflict or instability have existed in our family line, I ask that those patterns stop here.

Teach us to build a home where respect, kindness, and accountability grow together.

Let this household become a place of safety, honesty, and peace.

In the name of Jesus Christ,  
Amen.
