Pray this when approaching news, teaching, books, social media, or any source of information. Wisdom helps filter what is useful from what is misleading or unnecessary.

## The Prayer

Father God,

I come before You in the name of Jesus Christ. Your Word says that if anyone lacks wisdom, they should ask You. I ask for wisdom now.

In a world where information is constant and opinions are endless, help me approach knowledge with humility and discernment.

Guard me from rushing to conclusions. Guard me from believing everything I hear or read without careful thought.

Teach me to pause before accepting information as truth.

If pride or curiosity has made me careless with what I consume, correct my approach.

Give me the patience to examine things carefully. Give me the discipline to verify what I hear.

Let Your Word be the standard by which I evaluate ideas, teachings, and opinions.

Protect me from misinformation, manipulation, and persuasive voices that distort truth.

Teach me to seek knowledge that produces wisdom, not confusion.

Let what I learn strengthen my faith, deepen my understanding, and guide my decisions.

My mind belongs to You. My understanding is shaped by Your truth.

In the name of Jesus Christ,  
Amen.
