ABOUT US

Yumigoes Snacks Private Limited is an emerging Indian packaged food company with a clear vision- to take authentic Indian taste to households, retailers, hotels, airlines, and global markets with products that are reliable, attractive, and commercially strong.

Built on a deep understanding of Indian food preferences and modern consumer expectations, Yumigoes offers a wide range of products across Bakery, Savouries, Indian Sweets, Gift Packs, Makhana, and Gourmet Foods. Our portfolio is designed to serve both everyday consumption and premium gifting, making Yumigoes a versatile brand for multiple sales channels including retail stores, supermarkets, modern trade, e-commerce, HoReCa, travel retail, and export markets.

What makes Yumigoes different is our focus on the complete product experience- authentic taste, consistent quality, appealing packaging, competitive pricing, and strong shelf presence. Every product is developed keeping in mind consumer demand, retailer convenience, and international market expectations.

Today, Yumigoes products are available across key global markets including the USA, Canada, Qatar, UAE, New Zealand, and Germany, reflecting our ability to deliver Indian food products that are accepted and appreciated internationally.

At Yumigoes, we are not just selling snacks and sweets- we are building a trusted Indian food brand for the world.

Yumigoes – Authentic Indian Taste. Modern Packaging. Global Opportunity.
