ABOUT INDIZEST

INDIZEST is a global-focused Indian spice export company supplying high-quality whole and powdered spices to international markets.

We work with verified suppliers and experienced processing partners across India to ensure consistent quality, competitive pricing, and reliable export operations.

Our mission is to support importers, distributors, and food brands with scalable supply solutions — from bulk shipments to ready retail products and private label manufacturing.

OUR EXPORT PROCESS

At INDIZEST, we follow a structured and transparent export process to ensure quality, consistency, and timely delivery for our global partners.

1 Requirement Discussion

We begin by understanding the buyer's requirements, including product type, specifications, packaging, quantity, and destination market.

Sourcing & Quality Check

We source raw materials from verified suppliers and conduct quality checks to ensure purity, consistency, and export-grade standards.

Lab Testing & Compliance

We conduct lab testing and prepare necessary documentation to meet export and import country regulations.

Container Loading & Shipment

Goods are securely loaded into containers and shipped as per agreed timelines.

Quotation & Confirmation

Based on the requirements, we provide a detailed quotation including pricing, packaging, and delivery terms (FOB / CIF / EXW).

Processing & Packaging

Products are cleaned, processed, and packed under hygienic conditions as per international export requirements.

Documentation

s.All required export documents are prepared to ensure smooth customs clearance.

Delivery & Support

Shipment is delivered to the destination port, and we provide continuous support for smooth coordination with the importer.
