

HOW TO

BOOK IN **MEDICARE COVERED**
GENDER AFFIRMING VOICE
TRAINING SESSIONS
WITH ALLIE

allietalksgendervoicetherapy.com

You can get a '**Chronic Disease Management Plan**' from a GP for 5 subsidised allied health sessions. You can go to your GP and ask for one, and ask to be referred to my medicare provider number;

1655963T

If your GP won't provide a CDMP for voice training or you're not comfortable asking your GP, let me know and I can recommend some practices that I have connections with who can give you that referral!

IMPORTANT: These **5 subsidised sessions** are shared between all allied health sessions **PER CALENDAR YEAR**. So, if you have need of other allied health sessions, be sure to let me know so we can squeeze therapy into less than 5 sessions!
