The Lion and the Mouse

One day, a big lion was sleeping under a tree.
A little mouse ran by and climbed onto the lion.
The lion woke up and caught the mouse with his paw.

The mouse was very scared.
"Please don't eat me!" said the mouse.
"If you let me go, I will help you one day!"

The lion laughed.
"You are too small to help me," he said.
But he let the mouse go.

A few days later, the lion
was caught in a hunter's net.
He roared loudly for help.
The little mouse heard the lion's roar
and ran to him.

The mouse bit through the ropes
and set the lion free!
The lion smiled and said,
"Thank you, little mouse.
You really did help me!"
