

# WRO Membership Application

I live in Silicon Valley Village Mobile Home Park (formerly Westwinds) and want it to remain an affordable mobile home park. I want to join WRO to support their objective of creating a resident-owned community as the best way to accomplish that goal.

WRO is an organization of residents focused on our long term goal to preserve our mobile home park as affordable housing. We believe the best long term solution is for residents to form a co-op to purchase the land, taking it out of the speculative real estate market.

WRO also represents our community to government. In 2020, we gained additional protection against redevelopment for all mobile home parks in San Jose. More recently, WRO obtained an additional 60 days for all residents to fix issues from a recent HCD inspection.

WRO also helps residents communicate. Over 600 residents subscribe to our Facebook page.

If you also believe in preserving our community, please join WRO!
