

A Year of Provision

Happy New Year! As we step into 2026, we do so with the profound assurance that this is a year of divine provision. Provision is more than just the meeting of our basic needs; it is the manifestation of God's grace, timing, and abundance in every area of our lives. When we declare that God is our Provider, we cast out all fear and replace it with a steadfast faith that He has already gone before us to prepare the way. Let us move forward with the confidence that our minds are blessed and our paths are secure, knowing that the One who called us is faithful to sustain us through every season.

In this coming year, let your heart rest in the truth that God's supply is never-ending and His resources are vast. We are not defined by the limitations of the world, but by the richness of His kingdom. May 2026 be a time where you witness doors opening, strength being renewed, and every gap being filled by His generous hand. Trust deeply and walk boldly into this year of provision, for your faith is the key that unlocks the wonders God has in store for His people.
