

FOUNDATION OF TRADITIONAL NUMEROLOGY

UNDERSTAND THE HIDDEN ENERGY BEHIND NUMBERS

Course Overview

This foundational course introduces the core principles of traditional numerology and the energetic meanings behind numbers. Participants will learn how numbers form a personal life blueprint, revealing personality traits, talents, strengths, challenges, and life cycles.

The programme focuses on understanding number vibrations, personal numerology charts, and practical interpretation methods, enabling students to begin analysing numerological patterns in everyday life.

Through structured learning and practical exercises, participants will develop the ability to interpret numbers and apply numerology for self-awareness, personal development, and life guidance.

Duration

1 Day
(5 Hours)

Medium of Instruction

Mandarin /
English

Tuition Fees

RM 997

Delivery Mode: Physical Class / Online Class

Venue: Be'OLE Academy
