ABOUT US

Walker's Tailored Solutions LLC (WTS) is a **2023-founded SDVOSB and California DVBE** led by a **retired U.S. Navy Environmental Health and Preventive Medicine Officer with 20+ years of active-duty leadership experience**. WTS delivers specialized support in **public health, environmental health, occupational safety, and preventive medicine** to government and public-sector organizations — helping agencies protect personnel, ensure regulatory compliance, and sustain mission readiness.

Note: WTS is an emerging business actively pursuing prime and subcontract opportunities. All performance highlights below reflect the Founder's proven active-duty military record as a U.S. Navy Environmental Health Officer.

CORE COMPETENCIES

Environmental & Occupational Health Consulting

- Environmental health assessments & compliance audits
- Industrial hygiene and occupational health advisory
- Environmental site assessments & program evaluations
- Regulatory compliance strategy & risk mitigation

Public Health & Preventive Medicine Support

- Disease surveillance and public health program support
- Food safety and sanitation program oversight
- Public health risk mitigation and protection initiatives
- Preventive medicine program development & evaluation

Emergency Preparedness & Operational Readiness

- Emergency preparedness planning & program development
- Operational health advisory for austere environments
- Continuity planning and risk mitigation strategies
- Health protection for deployed and operational forces

DIFFERENTIATORS

- **Retired U.S. Navy Preventive Medicine Officer**, 20+ yrs active-duty leadership
- Hands-on expertise in **Force Health Protection** across joint & coalition environments
- Deep knowledge of **DoD, DHA, VA, and OSHA** regulatory frameworks
- Proven performance in **complex federal and military environments** worldwide
- Small-business agility with **senior-level technical execution**
- **SDVOSB & CA DVBE** — set-aside eligible, SAM.gov active
- No learning curve on military culture, operations, or reporting structure.

FOUNDER'S PERFORMANCE HIGHLIGHTS (Active-Duty U.S. Navy Record)

- ★ Preventive medicine missions supporting **40,000+ coalition forces in Afghanistan**
- ★ Vector control operations protecting **9,000+ personnel and families** after Hurricane Florence — reducing contract costs
- ★ Environmental health site assessments for **1,000+ deployed personnel** across Middle East installations
- ★ Preventive medicine training for **417 Sailors & Marines** preparing for austere environment deployments
- ★ COVID-19 vaccination initiative achieving a **98% active-duty vaccination rate** within command
