

Service-Disabled Veteran-Owned Small Business (SDVOSB)
B-Class Licensed – Cal. Lic. # 1069421
General Contractor • Since 1989

Company Overview

McKnight (DBA McKnight Construction) is an SBA-certified SDVOSB & VOSB established in 1989 as a B-Class licensed general contractor. We deliver turnkey residential, commercial, and technology infrastructure projects across Southern California with over 35 years of experience, including large custom homes, USPS annex interior build-out (SoCal), concrete barracks (Camp Pendleton), hundreds of residential solar projects, and specialization in data infrastructure.

Core Competencies

- New Home & ADU construction
- Residential & commercial remodeling
- Warehouse retrofits & office expansions
- Solar integration & backup generators
- Tier III/IV data center builds with structured cabling (fiber, Cat6), high/low-voltage electrical (UPS), and precision HVAC (CRAC, aisle containment)

NAICS Codes

236115 (Primary), 221114, 236116, 236117, 236118, 236220, 238160, 238210, 238220, 238990, 423330, 541310, 541330, 541512

Differentiators

- In-house crews – fixed-price, on-time delivery
- Clearance-ready security protocols
- Veteran precision for mission-critical projects

Past Performance Examples

- Garden Grove 800 sq ft ADU (2025) – \$285K
- Riverside Kitchen Remodel + Solar (2020) – \$45K
- Inland Empire Office Expansion (2006) – \$220K
- Inland Empire Warehouse Retrofit (2022) – \$310K
