

# CONNECTION CRAFT

## PA Virtual Gaming Therapy Group

### Page 1 of 2

#### Why Gaming Therapy?

- Engaging, approachable, and kid-friendly
- Builds social confidence, teamwork, and communication skills
- Supports emotional expression and regulation
- Encourages empathy and perspective-taking
- Provides a safe supervised space

### Page 2 of 2

#### What is it?

- A 10-week virtual play therapy experience using Minecraft
- Structured exercises and unstructured play to practice real-world skills
- Includes roleplay, cooperative builds, sandtray-style scenes, emotional story work, and team projects

For kids ages 8-12

\$40-\$60 /session

DAY AND TIME TBD (REACH OUT TO JOIN A GROUP)
