Prinsipal Produk

Prinsipal Valve & Mitra Teknologi Kami

Product Principal

Our Valve Principal & Technology Partners

SAPAG Valves, France

- Specialised in ball, valves & butterfly valves.
- API / ASME certified solutions
- Suitable for refinery, boiler, power plant, defense & maritime

SCHUF Fetterolf, Germany

- Specialty: High-performance control valves, sampling valves, bottom outlet valves
- Industries: Refinery, petrochemical, sulphuric acid plants

descote SAS, France

- Specialist in severe-service valves for corrosive, toxic & hazardous fluids
- Expertise in PTFE-lined, PFA-lined, alloy & high-performance isolation valves
- Trusted in chemical, petrochemical, nuclear and industrial gas applications

Energy Valves, Italy

- Manufacturer of industrial ball, gate, globe, check, and specialty valves
- Expertise in high-pressure and high-temperature service for demanding applications
- Products designed and tested according to API, ASME, EN, and PED standards
- Widely used in oil & gas, petrochemical, power generation, and general process industries

Sart Von Rohr, France

- Manufacturer of pressure regulators, control valves, steam traps & condensate equipment
- Strong expertise in steam systems, thermal energy efficiency & process control
- Widely used in refineries, petrochemical plants, power generation, and industrial utilities

MKSVC, China

- Manufacturer of pneumatic and hydraulic actuators for industrial automation
- Features include IP67/IP68 protection, torque control, feedback signals, and local control panel
- Widely used in oil & gas, water treatment, chemical plants, and general industrial applications

Lishui Ouyi, China

- Manufacturer of gate, globe, check, ball, and butterfly valves
- API 600 / API 602 / API 6D compliant production with full QC & documentation
- Strong cost-effective solutions for oil & gas, marine, water, and general industrial applications
