ABOUT US

UBAHNACHI NIGERIA LIMITED has been established as a company in Nigeria which engages in the business of general contracts.

We listen to your engineering requirements, scout out the best materials suitable for your needs and deliver to optimum satisfaction. Our fees are competitive but our service is outstanding. We work collaboratively with our clients to manage their projects and ensure minimum cost effectiveness with best quality materials.

At UBAHNACHI NIGERIA LIMITED, we engage in the business of general contracts and maintenance services.

We are committed to giving the best quality supplies for your manufacturing needs.

Our traditional business model is based on Engineering Mechanical works, Industrial maintenance, Machine installation, Logistics and transport, Procurement and Equipment hiring.

VISION

To provide quality services that exceeds the expectations of our esteemed client.

PURPOSE

To be a leader in the Engineering and Manufacturing industry by providing enhanced service, relationship and profitability.

MISSION

To build long term relationships with our customers and client and provide quality exceptional customer services by pursuing business through innovation and advanced technology for good delivery within Ernest time.

GOAL

Our primary goal is increasing the assets and investments of the company to support the development of services. To build good reputation in the field of engineering and manufacturing industries and become a key player in the engineering world.

CORE VALUES

We believe in treating our client with great respect and faith. We grow through creativity, invention and innovation. We integrate honesty, integrity and business ethics into all aspects of our business functioning.

QUALITY

We are committed to the highest standards of quality in both our manufactured products and our construction projects.

INTEGRITY

We conduct our business with honesty, transparency, and ethical practices.

INNOVATION

We embrace innovation in our processes and technologies to deliver cutting-edge solutions.

COLLABORATION

We work closely with our clients, partners, and stakeholders to achieve shared goals.

SAFETY !

HEALTH AND SAFETY POLICY

At **UBAHNACHI NIGERIA LIMITED**, we prioritize the safety and well-being of our employees, customers, and the environment first. we believe that safety is essential to our success and reputation. **Our Safety Commitment:** We commit to maintaining a safe and healthy work environment, free from hazards and risks. we will:

- We Ensure compliance with regulation and standards.
 - We ensure all our staff are provided and won PPE's all time in workplace.
 - Provide induction & training, we enlighten people (both workforce, visitors & others) on how to be safety conscious and caution when they are within any organization and the need to obey safety rules and regulations.
 - Identify and mitigate potential hazards, by development of RAMS for the particular task and method statement put in place before any work is carried out.
 - We ensure a permit to work is authorize before any work will commence, hence, no permit, no work. We commit to a zero incidence because safety is a commitment always, **Using the word S-A-F-E**
- ### acronyms
- Savvy the area.
 - Assess the risk.
 - Find the safest place.
 - Every time, Everywhere, All-time.
