

DENNIS GEELEN

SPEAKER • COACH •  AUTHOR

Inspiring audiences to embrace serendipity, take action before they're ready, and navigate life's transitions.

ABOUT

Dennis Geelen coaches solopreneurs to embrace risk and unpredictability — and he's no stranger to change. Working for years in software development, project management, and various leadership roles, a layoff became an opportunity for reinvention.

Now, as a sought-after speaker, Dennis shares his unconventional journey from corporate employee to multiple businesses and best selling books, challenging others to turn uncertainty into opportunity and take bold steps toward growth.

TALKS

THE POWER OF SERENDIPITY

Dennis reveals how accidents can lead to success, recounting his own story of being laid off and unexpectedly becoming a solopreneur.

START BEFORE YOU'RE READY

Drawing insights from companies and leaders that leap forward unprepared, this talk shows why waiting for all the answers can stunt your growth.

THE 5 SHOES FOR CHANGE

Based on his new book, co-authored with Christian MacMillan, this talk covers a framework for navigating business, leadership, and life transitions, including the role of wings and angels.
