

About ClearPath Collections

Welcome to ClearPath Collections - the premier mobile lab testing provider proudly serving Louisiana and East Texas.

At ClearPath, we understand that healthcare and compliance testing shouldn't be complicated or inconvenient. That's why we bring professional, certified testing services directly to your home, office, or job site - saving you time, reducing stress, and ensuring privacy.

Founded with a mission to make diagnostic testing accessible and efficient for all, ClearPath Collections is trusted by employers, families, and individuals for our reliability, compassion, and fast turnaround. We are SEBD-certified and proudly partnered with top national labs to deliver legally admissible and medically accurate results.

Our Services Include:

- DOT and Non-DOT Drug Testing (Urine, Oral Fluid, Hair Follicle)
- Legal and Immigration DNA Collection
- Comprehensive Wellness Lab Kits (STD Panels, Routine Blood Work, and More)
- Background Checks and Pre-Employment Screening

Whether you're an HR director needing bulk drug screening, a parent requesting DNA testing, or an individual seeking affordable lab access - ClearPath meets you where you are.

We operate 100% mobile with discreet, professional staff ready to travel within a 70-mile service radius. Every appointment is handled with care, compliance, and convenience.

We don't just collect samples - we provide peace of mind.

Your Health. Your Path. Your Way.
