Read the short story and answer each question.

### Sam and the Secret Tunnel

Sam and his dog, Wiggles, played near the big oak tree.

Wiggles barked at a pile of leaves.

"What is it?" Sam asked. He moved the leaves and found a wooden door!

Sam pulled the handle. The door creaked open. A tunnel!

Sam and Wiggles crawled inside. It was dark and twisty.

They found old rocks, a lost glove, and a broken wagon wheel.

Then—light! They reached the end and popped out by the creek.

"Cool!" Sam said.

They walked back around and marked the tunnel with a stick.

"Tomorrow," Sam whispered, "we explore again!"
